

## Cigna Insurance Company

### Company Summary

Cigna is a global health service company with 95 million customers around the world and more than 40,000 employees worldwide. As your partner in health, we're available for our customers 24/7 with an expansive network built to help them meet their health goals. We are on a mission to improve our customers' health, well-being, and sense of security with the power of preventive care.

We trace our roots back more than 200 years, but we became the company you know today in 1982 with the merger of INA Corporation and Connecticut General Corporation.

Cigna offers medical, dental, and pharmacy benefits to individuals and families residing in Colorado. Plan availability varies by area.

## Unique Offerings and Programs

### What We Do

We work together with customers to help them lead a healthy, secure life. We provide customers with personally relevant products and services, and we help customers reduce health costs and achieve optimal health outcomes.

### What Partnership Means

**A partner makes things simpler:** As advocates for our customers, our team helps navigate an often-confusing health care or insurance system so customers get the care and financial protection they need. We understand our customers as individuals, so we can help them achieve what's most important to them.

**A partner helps you make better choices:** Cigna puts the power of information in our customers' hands. We provide information our customers need to help improve their health, identify and fill gaps in their health, well-being and security needs, and maximize value.

**A partner cares about outcomes:** We collaborate with our vast network of health care professionals and our other colleagues around the world to ensure all our customers obtain quality, cost-effective health care, benefits and insurance protection.

## In The Community

As a global health service company with the mission of helping improve the health, well-being and sense of security of the people we serve, our success depends on earning trust through responsible business practices, corporate citizenship and providing superior services that meet our customers' individual needs. Inspired by our mission, our unique approach to corporate responsibility, Cigna Connects, works to positively impact the health of people, communities and the environment.

Through Cigna Connects, we aim to serve as a catalyst of action and a convener of stakeholders who, together, can make a difference. A key initiative of Cigna Connects is gathering, engaging and activating individuals and organizations to achieve improvements around critical health topics. By listening, by understanding and by taking action, Cigna remains committed to applying our resources and expertise in a way that creates positive change.
