

Delta Dental of Colorado Small Group Dental Plans

Delta Dental of Colorado is the state's leading dental benefits company and the only one based in Colorado. Unlike most carriers, we focus on just one thing — dental insurance. We provide our more than one million members with the convenience of local customer service backed by a statewide network of dental providers. In addition, we are a nonprofit company with a mission to improve oral health in Colorado. More than half of what we earn goes back to our local community.

We offer affordable, comprehensive dental plans to help you stay healthy and smiling. With our network of 2,200 Delta Dental PPOSM dentists in more than 4,200 locations across the state, you get more choice and lower costs. That will help your benefits go further because you will pay less for dental care.
