

# GET FINANCIAL HELP for Your Health Coverage

You can **qualify for financial help to lower the cost of private health insurance** and easily compare plans. Let us help you figure out what kind of financial help you might qualify for and how to get started!

**STEP 1:** Figure out **how many people** are on your federal income tax return with you (this is your **family size**).

**STEP 2:** Add up your family's gross **monthly income**. Before we figure out the financial help you could get through Connect for Health Colorado, check if your family qualifies for **healthcare coverage through Health First Colorado (Colorado's Medicaid program)** or the **Child Health Plan Plus (CHP+)** program.

Family Size	Health First Colorado (For adults 19-64)	Health First Colorado (For children 0-18)	Child Health Plan Plus (For children 0-18)
1	\$1,437	\$1,531	\$2,759
2	\$1,945	\$2,072	\$3,735
3	\$2,453	\$2,613	\$4,711
4	\$2,962	\$3,155	\$5,687
5	\$3,470	\$3,696	\$6,663
6	\$3,978	\$4,238	\$7,639

**Do you make more than the amount in the chart above?**

-  **Yes.** You might qualify for **financial help through Connect for Health Colorado**. Move on to Step 3.
-  **No.** You or someone in your family probably qualifies for **Health First Colorado or Child Health Plan Plus**. Apply for these programs, and learn the full qualifications for Medicaid programs, at [Colorado.gov/PEAK](http://Colorado.gov/PEAK).

**STEP 3:** Add up your family's gross **estimated income for 2019**. Based your family size and estimated yearly income, check if you could qualify for **lower monthly costs (Premium Tax Credits)** and **lower out-of-pocket costs (Cost-Sharing Reductions)**.

Family Size	Lower monthly costs & lower out-of-pocket costs	Lower monthly costs	Do not qualify for financial help*
